Information for Nursing Staff **Postgraduate Nursing Training Funding 2012**

Firstly, we express our appreciation of your outstanding contribution during the earthquake and its aftermath.

The Canterbury District Health Board (CDHB) receives funding from Health Workforce NZ (formerly the CTA) covering the nursing workforce in Non-Government Organisations (NGOs) in our region. It covers Registered Nurses (RNs) in the Aged Care Sector, rural, Maori, Pacific and population health, contracted nursing services providers eg district nursing, and the Canterbury Primary Health Organisations, and general practices.

1) Applications for 2012

We invite applications for funding for 2012. The Health Workforce funds are only for postgraduate qualifications approved by Nursing Council. Approved courses will lead to a postgraduate nursing certificate, postgraduate diploma or clinical master's degree.

For your information, enclosed is a list including of possible qualifications. The wide range of available post graduate courses can make choosing the appropriate one challenging. Your nurse leader, or Nanette Ainge, CDHB Nurse Consultant - *Postgraduate Nursing Education* are available to assist. nanette.ainge@cdhb.health.nz or ☎ 03 3378679.

2) Application Forms for HWNZ Funding

The Application Forms for postgraduate nursing study are on the CDHB website on the Internet: <http://www.cdhb.govt.nz/communications/forms>
Then go to letter H.

3) Closing Date for Applications for study in 2012

All applications for funding need to be received by **Friday 28 October, 2011** at 5pm.

Yours sincerely
